A NOTE FROM THE RACE DIRECTOR

Here they are. This year's race results. I guess I can rest easy now that this year's event is finally over. Now all I have to do is plan for next year's. I wanted to take this opportunity to thank all the runners who participated in the 1993 race. As first time race director, I thought everything worked fairly well. We averted catastrophe. Nobody complained . . . well, okay, some people complained about the hill at the end of the race, but they were mostly Charleston runners, and they don't really count (just kidding, Marc Judson). We brought in a lot of new key volunteers and with them they brought the enthusiasm necessary to keep a race like the Governor's Cup going for twenty one years. Anyone who has worked at a road race, especially if they have been a race director, knows that the race is only as good as it's volunteers. All it takes is ONE volunteer not showing up to throw a race into a tizzy. All of the people involved in putting on the Governor's Cup Road Race are volunteers. Most of them are runners, like you and me, who have given up many of their training runs and their race day to help put this race on for you. Keep this in mind when you pass them on any race course. I couldn't have done this race without them, and you couldn't have either. Now, about next year's race. The race date is scheduled for October 22, 1994. The recruit is on for major sponsors since we lost almost all of them from last year. Matol Botanical will be back as a sponsor, and Health South has also expressed an interest. Packet stuffing and packet pickup will be moved to the Spaghetti Warehouse, located closer to the statehouse. A special pasta dinner will be served for runners the night before the race. I have a feeling that the Olympic fever will be among us at the twenty second Governor's Cup due to the announcement that the women's marathon trials are to be held here in 1996. Once again, thanks for your participation. I hope to see you at the 1994 Governor's Cup. Look for entry forms at the Cooper River Bridge Run.

Tim Hamilton
Governor's Cup Race Director
